সুধী,

আশা করি আপনি সুস্থ এবং ভালো আছেন। এই চিঠির মাধ্যমে আপনাকে আন্তরিক শুভেচ্ছা জানাচ্ছি এবং আমাদের প্রতিষ্ঠানের পক্ষ থেকে আপনাকে আন্তরিকভাবে জানাচ্ছি যে আমরা আগামী ২১ ফেব্রুয়ারি, ২০২৫ তারিখে আন্তর্জাতিক মাতৃভাষা দিবস উপলক্ষে একটি বিশেষ আলোচনা সভার আয়োজন করতে যাচ্ছি।

মাতৃভাষার প্রতি শ্রদ্ধা এবং ভালোবাসা প্রকাশের উদ্দেশ্যে আমরা এই আলোচনা সভার আয়োজন করেছি, যেখানে আমরা মাতৃভাষার গুরুত্ব এবং আমাদের সাংস্কৃতিক ঐতিহ্য নিয়ে আলোচনা করবো।

বৈঠকের বিবরণ নিম্নরূপ:

তারিখ: ২১ ফেব্রুয়ারি, ২০২৫; সময়: সকাল ১০:০০ ঘটিকা

স্থান: বিনিয়োগ ভবন, আগারগাঁও ঢাকা।

উক্ত অনুষ্ঠানে আপনার উপস্থিতি কামনা করছি। আপনার উপস্থিতি আমাদের জন্য অত্যন্ত গুরুত্বপূর্ণ এবং আমরা আপনার মূল্যবান মতামত ও পরামর্শ শুনতে আগ্রহী।

জনাব. YYYYYYYY

আগারগাঁও ঢাকা।

আন্তর্জাতিক মাতৃভাষা দিবস- ২০২৫

Job Sheet – 2 for Computer Operation, Level – 3

Candidate Name:	SHAHAREAR RAHMAN SABBIR
Job 02:	Prepare a Salary sheet as per specification using spreadsheet analysis software
Time:	1 Hour
Unit Covered:	OU-ICT-CO-03-L3-V1: Prepare a Spreadsheet

Instructions:

Read and understand the directions carefully:

- this practical demonstration is based on the performance criteria from all or some of the units of competency Computer Operation, Level – 3
- this assessment activity will be used to measure your underpinning skills
- you will have fifteen (15) minutes to familiarise yourself with the resources to be used

Working Procedure/ Steps:

1. Observe and wear personal protective equipment (PPE) as required for the Job.
2. Observe and follow Occupational Health and Safety (OHS) requirements during the demonstration processes.
3. Read the provided Job and Specification sheet.
4. Collect required tools, materials, and equipment for the job.
5. Prepare PC to perform job smoothly.
6. Create a folder in "D Drive" namely "Reg no_Your Name".
7. Create and Save the file with named "Job-02" to the newly created folder.
8. Perform the job within the given time as per sample and specification sheet.
9. Check and review after completion of the job.
10. Protect your worksheet with password (Password: 4321).
11. Save the document with both .xlsx and .csv extension
12. Show data using "VLOOKUP" as per sample-B based on "Category".
13. Complete all calculation as per requirement given in the Specification Sheet.
14. Make a copy of the worksheet within the same workbook and name it "Filter".
15. Set the filter option using header row.
16. Print the document using PDF printer or document writer in PDF.
17. Submit final output to the Competency Assessor.
18. Shutdown computer and clean your workplace.
19. Clean tools, equipment, materials, and work area.

Specification Sheet – 2 for Computer Operation, Level – 3

Job 02:	Prepare a Salary sheet as per specification using spreadsheet analysis software

Condition For the Job:

Work must be carried out in a safe manner and according to Computer operation (Level – 3) standards.

Title font: Arial
Other text font: Tahoma
Title font Size: 15 (Monthly Budget Tracker)
Cell Formatting: As per sample

Date Format: Use date format as DD-MMM-YY in 'Date' Column.

Category: Apply data validation for Category names. Category names other than "Income, Housing, Utilities, Food, Transport, Entertainment" will not be allowed. (Use Custom Rule, don't use List Rule)

Apply **Conditional Formatting** on Type column to highlight "Income" with Green colour and "Expense" with Red Color (As per Sample). Type will come automatically from Category. Only "Income" Category will be defined as "Income", all others will be "Expense"

Calculation:

1. Total: Use appropriate formula to calculate the total Income and Expenses and show it in a separate table (Calculate on the basis of Type)

2. Budget Range: Use appropriate formula to indicate "**Income**" or "**In Range**" or "**Over Budget**" as per below conditions on Type and Amount:

Type	Amount	Range
Income	-	Income
Expense	> 20% of Income	Over Budget
Expense	< 20% of Income	In Range

3. Rank: Use appropriate formula to show Ranking of expenses (Only which types are 'Expense') in this column. (Use Helper Table as necessary)

4. Lookup: Use appropriate formula for looking up total expenses by the category. Make a dropdown list on the category to show total expenses (As per Sample). The Total Amount column should show total of the same category. (Use Helper Table as necessary)

Charts

Insert a Column Chart for Total Monthly Income vs. Total Monthly Expenses (Refer to Sample)

Resources Required:

Tools, Equipment, and furniture:	1. Personal Computer – 1 set 2. Ergonomic Chair – 1 Pc
Software:	1. Operating software – Windows 2. Application software – Spreadsheet Analysis Program
PPE:	1. Rubber sole Shoes/Sandal – 1 pair
